Ladies and Gentleman,
Spring break has come and gone. The musical highlight was seeing Alien Sex Fiend's bizarre performance at Danceteria. As our playlist attests too, we have become quite progressive recently in our attainment of becoming the most happening station in Pennsylvania. So, keep that F-R-E-S-H new music and dance music coming. I greatly appreciate all those wonderful 12" that some of you prefer to send to clubs rather than college radio. Those barriers are gone. Send them please. We'll play them and report them.

Yours

Neil Kotimsky
